***If you attend the AICE European History review, I will give you an extra five points on your final grade for the 3rd marking period. 🤖👍😊 I will also give you an additional five points for any other AICE review you attend. 🤖👍😊 I will need proof that you attended each session. I'll let you know more about this. Yes, each session costs \$10 plus fees... but spending \$20-\$30 is worth it for the chance to earn \$20,000 for college!!
